

K-Love has been a wonderful christian station that I can find on the FM frequency. I travel alot with my kids and I can maintain the fm frequency and have us all listen to positive family values. I do not worry what my kids will hear on K-love. It is a very uplifting station. It is all we listen to now. So many other fm stations have trashy things I do not want my 3 and 4 year olds listening to or asking me about. Please do not force K-love off the air in my community. Thank you.
